Bookbinding Supplies

It is interesting to observe that the main problems faced by the mass-production bookbinder are the same as those that confronted the medieval craftsman or the modern hand binder.

Bookbinding Supplies

This is perhaps a more common method for covers made with book-cloth although leather books can be approached this way as well.

iBookBinding

Tie it off with a simple knot or a fancy bow, and cut off excess. Stanford University Libraries and Academic Information Resources.

DAS Bookbinding

Create accordion-style books, flip books, journals, and more. However, despite allowing writing on both sides of the leaves, they were still foliated—numbered on the leaves, like the Indian books.
