I can't recommend it highly enough. I wish I would have read this book a few years ago. The author, a pastor and noted songwriter, skillfully instructs pastors, musicians, and church leaders so that they can root their Nothing is more essential than knowing how to worship the God who created us.

Worship Matters: Leading Others to Encounter the Greatness of God

He suggests, for example, that leaders should speak when there is some truth in a song which may not be immediately obvious to everyone, and explaining it will enable the congregation to better sing the song understanding its meaning. What is important, what should be important? It is nothing less than an opened floodgate, unleashing a supernatural flow between heaven and earth.

Worship Matters: Leading Others to Encounter the Greatness of God

In each area, significant applications are made. And not just for music leaders. Here is a compilation to raise those thoughts high once more, and provoke the church to true, spiritual worship.

Worship Matters: Leading Others to Encounter the Greatness of God by Bob Kauffman

This is a great book on worship! Appropriate for Christians from varied backgrounds and denominations, this book will bring a vital perspective to what you think you understand about praising God. Filled with engaging, illustrative stories, it is organized to address questions of theory and practice, striving to balance conversational accessibility with informed instruction. Neither option brings God glory.

9781581348248: Worship Matters: Leading Others to Encounter the Greatness of God

In the second section Bob unpacks the following working definition of worship, constructed with aid from his good friend Jeff Purswell. Worship leaders must read it, and it will be a great help to anyone interested in finding out what biblical worship is about and how to worship from the heart.

Worship Matters: Leading Others to Encounter the Greatness of God by Bob Kauflin

With that being said, it gave me a new perspective on elements of a worship service and the heart position of a worshipper. Some reviews of this book amount to little more than, 'It was too long.
