### Summary of the Noise Control Act

In cases where national law does not lay down noise standards, such as for noise caused by neighbours or events, local authorities lay down rules of their own. Any administrative or nonjudicial hearings required by this chapter shall be held before the Secretary of the Department of Natural Resources and Environmental Control or before members of the Department designated by the Secretary.

### NUISANCE, NOISE, AND LEASH LAW

TABLE 3: MOTOR VEHICLES CITATION SECTION PENALTY CGS § 14-67v Motor Vehicle Recyclers: Penalty. If one owns a home next to a steel mill the definition of excessive as applied by the police or court will not match that of a residential property next to a fishing destination.

#### 1910.145

CGS § 22a-346 Water Resources: Encroachment, obstruction, or hindrance of any waterway's, or flood prone area's, encroachment lines is a nuisance DEP commissioner may ask the attorney general to institute proceedings to enjoin and abate such a nuisance.

#### 1910.145

The procedure for public hearings shall conform to the procedure described in § 6006 2 of this title; such rules and regulations, however, shall not purport to exercise jurisdiction over any person or activity not included or affected by this subchapter; 2 Cooperate with all other state departments, divisions and agencies in the formulation and preparation of rules and regulations for the control of noise; 3 Enter into agreements with any other state department in order to effectuate this chapter; 4 Enforce this chapter, and all regulations, codes and rules, promulgated pursuant thereto, except those provisions of this chapter pertaining to motor vehicles; 5 In conjunction with the various law-enforcement agencies of this State, receive or initiate complaints of noise and institute legal proceedings for the prevention of noise and for the recovery of penalties, in accordance with this chapter; 6 Keep records of violations cited, enforcement procedures initiated and completed in accordance with this section. Landlords may be held responsible for their tenants' refusal to obey noise abatement laws and may be able to evict tenants on the grounds that the tenants repeatedly violated them.
