## **Review: Realism and Domestic Politics: A Review Essay on JSTOR**

The two nations relationship became very positive, in terms of democratic ideals, , and high levels of economic trade. Eager to counter East German propaganda that claimed his government was crawling with former Nazis, chancellor Konrad Adenauer created the Central Office, which was to focus solely on bringing Nazis to justice. Only one copy of the Ludwigsburg archive exists, stored in microfilm at an undisclosed location.

alluded to many negative aspects of American history, including the , the oppression of, and the of blacks. The Press's enthusiasm for innovation is reflected in our continuing exploration of this frontier.

### **Ghosts of Versailles: Europe's Past and its Politics**

The most obvious consequences of the 1919 settlement are well-known. Stacks of files line the walls; the desk is littered with books, paper and stamps; a binder lies open to a page full of portraits of notable Nazi officers. There are continuity and discontinuity in the anti-war tradition.

### **Absolute War: Violence and Mass Warfare in the German Lands, 1792**

Even though a series of public debates in the 1960s and 70s led to the elimination of the statute of limitations for murder, thousands of men and women who served as cogs in the machine of genocide — as concentration camp guards, doctors, police, administrators and even radio operators — were never forced to reckon publicly with their culpability. Germany was portrayed as a threat to American freedom and way of life.

### **The last Nazi hunters**

Trade bolstered the Triple Alliance between Germany, Austria-Hungary, and Italy, as the Italian economy turned toward its northern partners after its trade war with France in the 1880s.
