Full text of Covent

The absurdity and ignorance of such pretended relations sufficiently refute them; for but to read, is to discredit, them. The Workhouse The parish seems to have had no workhouse of its own before the eighteenth century, and use was made of the Westminster bridewells in Tothill Fields and at Clerkenwell.

The Parish and Vestry of St. Paul

The Duke thought the Doctor not conciliatory enough. Paul's subject to the Earl's consent. They can illustrate how places change and how what local people bring to them represent a host of different perspectives, as do visitors from further away.

Digital Solutions to Advance Your Business

Heritage in contemporary, inclusive usage has come to mean anything created in the past that helps us, collectively or individually, to understand the present, and create a better future.

Limitations in Research: Writing about Your Study Limitations

During the first hundred years or so of its history, the theatre was primarily a playhouse, with the granted by Charles II giving Covent Garden and Theatre Royal, Drury Lane, exclusive rights to present spoken drama in London.

Covent Garden (The Diary of Samuel Pepys)

In 1752 he burlesqued Fielding's Journal in his own Drury-Lane Journal and Spring-Garden Journal, and thereafter continued to be associated with other periodicals, gaining a wide reputation as a wit. There are, however, exceptions to this, for William Mason uses hath in his Letters in Elfrida;

and Smollett, in burlesque on Fielding in his *Faithful Narrative*, and in dialogue in his novels, uses *hath* and other archaic.¹ The editor feels that this test is of real value, but will not be prepared to give accurate statistics until he has examined early editions of the works of all of Fielding's contemporaries. The fifth Earl's ownership of Covent Garden, from 1641 to his death in 1700, lasted far longer than any other Russell's, before or since.

Covent Garden

Censor of GREAT BRITAIN Otherwise HENRY FIELDING, Esq; THURSDAY, JANUARY 23d. The vestry, conscious of the rapidly increasing cost of maintaining its out-door poor, decided to build a new and bigger workhouse. If Hill, however, had played fair, the warfare might have been continued in the same merry vein of wit in which it was begun, and without employing abusive methods.
