Criminal justice systems in Europe and North America: Slovenia

In the early 2010, statistics made the rounds that one out of three Black men would spend some time in prison, compared with one out of 17 white men. However, in 1992, as the crack epidemic waned, homicide trends resumed their decline alongside an aging population.

RJ around the World

The Spanish, Dutch, French, and English possessions in America varied considerably, but their home countries each expected the colonies to serve them.

Indian customs emphasized concepts such as honor and retribution, and the taking of captives in warfare was a common way of replacing relatives lost in battle.

Criminal justice systems in Europe and North America :

Criminal Justice System in Europe. But when such regulations exceeded what Americans would tolerate, they could just as easily divide the two peoples.

Criminal justice systems in Europe and North America :

Europe Restorative justice in Europe is characterized by experimentation in different areas with input from both government and community actors. What to English settlers might seem as an exercise of the principle of law and order could seem to nearby Indians as high-handed and dictatorial.
