Meadow Lined Curtain Valance

Wide width curtains are perfect for large windows and patio doors. .

Cardinal Center Shot Curtain ?

Still, I loved it for being twisty and wonderfully descriptive of the atmosphere of Renaissance Italy. A natural colored broadcloth liner is sewn in for added privacy while allowing a bit of soft light thru during daylight hours.

Such a nice rich colour as well. Before anyone learns she is gone, the cardinal is murdered in a particularly gruesome manner, and Sigismondo steps forward to sort matters out and to find the murderer. When draped together, the flattering gathered Tulle will softly accentuate the color of the blackout, bringing together, visual balance of drama and glamour.

In this second Italian Renaissance whodunit the enigmatic Sigismondo - at once mercenary, courtier, sleuth - is again called upon to solve a crime that seems to threaten an entire duchy. Blackout curtains are perfect for late sleepers, shift workers, seniors, infants, parents, students, and computer operators.
