### Islamic influence on Western Europe

While the Mediterranean is being transformed into a cemetery of drowned dreams, European countries are bickering about the cost-sharing of land borders and coastline policing and about distributing asylum seekers among European states.

### The true history of Europe and Islam

Even the Bulgarians, usually hostile to the Byzantines, send a force to destroy Muslim reinforcements marching from Adrianopolis.

### An Islamic Europe

Now, what do we call this behavior if not pedophilia.

### How Islam Created Europe

February, 1098: Emperor Alexius' general Tacitus abandons the siege of Antioch. This was not an easy read, and yet I am really glad I did finish it.

### Muslims in Europe: The Construction of a "Problem"

In August alone, arrived in Italy. The debate alerted other groups to the danger that access might be cut off, and during the next several years, until the Commonwealth Immigration Act of 1962 came into effect, large numbers of Muslim immigrants arrived, including nearly 100,000 from Pakistan alone. The schism between Sunnis and Shiites first arose out from the question of who would succeed Muhammad after he died! Along with the development of the growing faith of Islam, Lewis goes into detail on the genesis of the Muslim Empire, as it swept across the western world country by country, converting and conquering, ruthless in its unstoppable pace.
