Fly Your Bike

They are super light road touring Moots bikes with SNS couplings on the frames. The only problem was a slightly damaged fender stay. Coverage is for damage incurred during transportation by Air Canada Cargo.

How to fly with a bike: The cheap and easy method

I had disc brakes on the front.

How to Fly with Your Bike and 4 Great Bags to Do It

A group of us will be using your bag method this June. Just because you were able to get away with flying your bike for free in the past does not mean you will be able to do it in the future.

Company Search Subscription Service

I bubble wrapped anything that was sharp, or I wanted extra protection. What You Should Pack in Your Carry-On: Helmet: Helmets are notorious for cracking under pressure to keep your head from doing the same, and the worst spot for a helmet in-flight is in your bike bag. They certainly do transfers for their clients.

Here's What Your Bike Seat Is Doing to Your Vagina and Vulva

~Carolyn It depends on the airline. Having said that, when bikes are delayed, EasyJet is very good at making good the error. I travel with armored bike bags from Ruster Sports retail: 600 USD for the pair, one bag for the frame and one for the wheels.
