Old Testament Sermons

The holy takes on profound personal and spiritual realities in the New Testament text through its 230 instances. The Old Testament was not yet finished when the book of Isaiah was written, but this prophecy shows the Holy Spirit moving history toward God coming to earth in the form of Christ. In a sense, He is everywhere, but we also have four books, known as Gospels, which are biographies of His life specifically.

The Holy Spirit can be grieved and even insulted. And He will delight in the fear of the Lord, And He will not judge by what His eyes see, Nor make a decision by what His ears hear; But with righteousness He will judge the poor, And decide with fairness for the afflicted of the earth; And He will strike the earth with the rod of His mouth, And with the breath of His lips He will slay the wicked.

Old Testament Sermons

During the first half of his reign, King David had a close relationship with God and obeyed Him. Both gods and humans had to be viewed with mistrust. It is illuminating to note that once Yahweh communicates his fundamental nature to Moses, and consequently to a redeemed nation, that the usage of the terms related to holiness explodes.

Holy, Holiness

Separation of the holy from the profane then had as its base the creatorial majesty of God, who creates out of no necessity other than a perfect, holy will. An extremely slow-growing plant, the olive tree requires years of patient labor to reach full fruitfulness.
