Ethnicity and Nation

The Religious establishment in turn, secured for themselves many advantages, such as material endowments, patronage, increased authority over affairs of government and State, from this relationship.

Power Politics in Southwest Asia

A decade and a half later after the first edition was published, the work has become even more relevant because ethnic divisions have become sharper all across the region. Similarly, creates a space for meaningful dialogues within the region as well as within Western academia.

Power Politics in Southwest Asia

Power and Contestation: India since 1989. The death of Ibrahim Lodi ended the Delhi Sultanate, and the replaced it. Family law has been left to the respective communities for many centuries.

Ethnic Groups of South Asia and the Pacific: An Encyclopedia

Such unity, could only be achieved within a State that abides — by law and in practice, by the rules of a Secular State.

Southeast Asia's ethnic crises in modernity

Many less-developed states are challenged to adequately police themselves, even if the larger powers leave them alone. It, in general, challenges the secular fabric of South Asia. The Dutch and the British codified the existing practice, inventing certain provisions as they went along, leaving behind a framework of personal laws.

Kashmir and Sindh: Nation

The first recorded in South Asia existed around 1000 BCE.

History and Politics of South Asia

During colonial times, it was understood that public life, the State and economic institutions would be modeled along the lines of modern democracy and capitalism.
