Verulam School

A total of 11 of 68 grammar schools had 64% or less of their pupils attain that benchmark — the standard required to get into most university degree courses. I wanted to teach children who didn't have books on the sitting room wall and whose parents didn't necessarily discuss politics over a glass of claret at dinner. It is a very useful collection if your research touches on public buildings in this county — it contains plans of libraries, police stations, fire stations, hospitals, care homes and so on.
