Arnold Snyder's Easy Red 7 Card Counting System

Even money is a losing play for the same reasons insurance is a bad idea. Player 1 was dealt a 2 and 8, he doubled down and drew a 7.

No Need to Count: A Practical Approach to Casino Blackjack by Leon B. Dubey Jr.

Instead of giving you instant answers peppered with examples and videos, you'd have to read through hundreds of pages to get the info you're looking for.

The Art of Casino Gambling

The one you just posted is terrible.

Any one done sims on this possibly new method?

Using Blackjack Books with Online Blackjack One of the absolute best reasons you should build yourself a blackjack library is to have some books handy while you play online blackjack. You will want to stand if the dealer has anything up to 6.
