Collapsed kiln Collapsed kiln Watton limekilns notice The limekilns from the East The limekilns from the East The limekilns from the West The fourth Watton limekiln The first storage chamber The second storage chamber One of the collapsed kilns The third kiln, Watton The third kiln, Watton The fourth kiln, Watton The fourth kiln, Watton The fifth kiln, Watton Elsewhere in Breconshire Three Cocks Junction Carmarthenshire Nevills Railway, Llanelly Past and Present These old photos of Nevills Railway in Llanelly appeared on the 'Wales Past and Present' Facebook group so with huge help from Keith Morris who supplied all the info I was able to locate the present-day views. Larkhill turned out to be the largest open area excavation ever undertaken in proximity to the Stonehenge World Heritage Site- truly wonderful things.

IHN South West

HLCA 006 The Kymin Possible encroachment settlement ie squatter origins : irregular scatter cottages within small irregular enclosures ; communication features; traditional boundaries; broad-leafed woodland and scrub.

RAILDATE

Calderdale Industrial Museum Colectivo Proyecto Arrayanes - conserving the mining heritage of Linares, Spain.

The industrial archaeology of the Lune Valley (Book, 1983) [vip.stumagz.com]

The ponds are surrounded by an array of palm and Cordyline plantings in order to engender the ambience of an Egyptian oasis. The grounds of the dam retain numerous tree plantings undertaken from the time of the completion of the dam in 1928. Linking Eston and Skinningrove the trail follows public footpaths passing industrial sites.

Home

The site is now part of Parc Slip Nature Reserve.
