Episode 169: The History of the Future

Historians understand that our sources from the past are incomplete and imperfect. But the idea of a screen illuminated from within seems to have been beyond their imagination. Many historians, professional or otherwise, have attempted to do just this.

History Prophecy Futurist Religion Philosophies Civilization Future Apocalyptic Psychology

The goal of this book is to apply history-as-method to the study of the future, a subject matter domain that most historians have traditionally and vigorously avoided.

History Prophecy Futurist Religion Philosophies Civilization Future Apocalyptic Psychology

The result is something that is entirely persuasive and quite illuminating. They start by investigating the recent history of a particular topic, for example, the legalization of marijuana in the United States or the intersection of politics and the media.

Historical Thinking for Resilient Leaders

Abraham Lincoln did this better than anyone. Enriching projects with historical thinking concepts This Tips for Teachers document outlines the value of embedding historical thinking concepts in projects, and how specific concepts help guide more rigorous historical inquiry.
