The combination of genetics and the social environment is simply fascinating. Smerdyakov was nearly as capable as Ivan, if not more.

The Brothers Karamazov by Fyodor Dostoyevsky

They begin a wild party with fruit and wine he has bought with thousands of rubles he mysteriously and suddenly has gotten, and he and Grushenka plan their future together. Dmitri falls in love with Grushenka and eventually wants to become an honorable man in all aspects of his life for her, their relationship despite Fyodor himself having asked her previously to marry him. From there he was sent on active duty with an army unit in the Caucasus, where he was given an officer's commission in the field.

The Brothers Karamazov by Fyodor Dostoyevsky

It is a masterpiece that chronicles the bitter love-hate struggle between an outsized father and his three very different sons. If you are looking for good 19th century Russian novels then this is the place to look. It has a beautiful hardcover.

As the three or four brothers and the women they love in different ways and fashions face the murder of the old patriarchal buffoon, all of them have to come to terms with the painful reality of loving and hating at the same time. What have I to do with it? We all know what we should do and, sometimes, we simply can't do it. He in 1844, and two years later became famous with his first published book, *Poor Folk*.

The Brothers Karamazov by Fyodor Dostoyevsky

As a consequence, the book really isn't about the plot at all, but about how these brothers evolve and deal with their struggles based on their differing world views. An amalgam character of all of them would be a well adjusted man.

The Brothers Karamazov (1958)

He made a second appearance in town, this time to force on his father a final settlement of their accounts. Though I've read it twice my memory withheld all the central plot coordinates, yet I could recall various scenes as vividly as if they were a part of my own life. I am glad to know what all the fuss is about but I will not be reading any more Dostoyevsky.
