part of the Oboe family and is also a double-reed woodwind instrument.

Woodwind Instruments

The Tenor often takes a back seat in concert bands sometimes sharing parts with the Horn and Trombone. The Plastic Clarinets are ideal for children and are easier to hold which is ideal for those smaller hands.

Woodwind Instrument List

When emulating the classical style, used the above combination in his First Symphony. Please do not use inappropriate language, including profanity, vulgarity, or obscenity. Some may struggle if you are playing between the A Clarient and the Bb Clarinet but with practice this problem should be resolved.

Woodwind

His earlier symphonies required only the oboes, while his later symphonies required the entire above listing. The Cor Anglais is

Shipping may be from our Sydney, NSW warehouse or from our UK or US warehouse, depending on stock availability. To produce a sound with a closed flute, the player is required to blow air into a duct.
