A continuation of empire by other means

There are unused sound combinations in every language. This book really needs to be whispersynced are you listening audible? The history of the English language really started with the arrival of three Germanic tribes who invaded Britain during the 5th century AD. For while there certainly is a plethora of interesting bits and pieces of presented language history, the entire premise presented by the author is both fantastical and utterly, absolutely ridiculous in every way and certainly not linguistically sound by any stretch of the imagination.

The Adventure of English : Melvyn Bragg : 9781611450071

But seriously, this could easily have been a snooze-a-thon.

The Adventure of English (TV Mini

The earliest inhabitants of the English language past Changes Precipitate Worldwide Popularity from governments that may offend viewers.
