### School Bus Program: Policy

Modify as Needed Used together, the three lesson plans should prepare students to ride a school bus. We also offer parents safety information about school buses and traffic safety rules for drivers and children to follow near bus stops and school zones.

### School Bus Theme

DOT The Department of Transport.

### School Bus Safety

Teaching familiarity with the bus ahead of time can alleviate anxiety and ensure that each child is prepared for a safe and enjoyable ride. For example, children who will likely wait for the bus in very urban or rural areas may need extra instruction about their surroundings.

### Preschool Lesson Plans (Page 3)

Other worksheets provide an outline of the day's lessons or instructions for an upcoming activity. It will also introduce the idea that there are rules for the school bus just like there are rules for the classroom. To browse these categories, please click on the links in the global navigation bar, and you will be presented with these links.

### School Bus Safety

While many factors can affect claims experience, in their first year with your program, they experienced a nearly 50% reduction in both claims frequency and severity. Interactive Activities The mock bus and real bus activities will give students the chance to practice the rules they established in the introduction.

### Safety Program For Pre K To Grade 2 Students Bus Safety Tips

What the Lesson Will Teach This lesson will expand on the behaviors taught in the first lesson. NHTSA encourages dealers to obtain written

confirmation from the purchaser that the vehicle will not be used in this manner for their records.
