## How does the age of our political leaders affect our opinions of older adults?

A study in 60 countries showed that individuals in countries with older political leaders have more positive perceptions of older adults' social status. They completed the assignment—and even gave me some credit. The data was collected between 2010 and 2014.

## United States Senate Special Committee on Aging

FTG: I learned early on to have big dreams however unreachable! But then Califano called to commend me for making the decision and exercising my autonomy.

## Executive dysfunction, brain aging, and political leadership

For Americans, the sight was always good for a horselaugh.

**Aging and Political Leadership: McIntyre, Angus: 9780887068232: vip.stumagz.com: Books**

The official flagship journal of the American Sociological Association ASA , American Sociological Review ASR publishes works of interest to the discipline in general, new theoretical developments, results of research that advance our understanding of fundamental social processes, and important methodological innovations.

## Executive dysfunction, brain aging, and political leadership

Old people really like to vote. This is a collection of essays focusing primarily on the psychological processes involved in aging and their effects on political leaders.
