services rapidly—that is, sell them to private investors rather than operate the services itself—such as water supply and utilities. The term is from rūpya, a Sanskrit term for , from Sanskrit rūpa, beautiful form.

## Why Is the IMF Controversial

When I find a man who is not willing to pay his share of the burden of the government which protects him, I find a man who is unworthy to enjoy the blessings of a government like ours.

gold standard

## Bryan's of Speech: Mesmerizing the Masses

Tallies originally came into use at a time when paper was rare and costly, but their use persisted until the early 19th century, even after paper money had become prevalent. However, fewer young people also means a smaller workforce on the horizon and a shrinking domestic market.

## The IMF is hurting countries it claims to help

For example, the IMF demands that countries it lends to privatize government

Our free lunch cannot last.
