Write to Washington Native Plant Society 6310 NE 74th Street, Suite 215E, Seattle, WA 98115 Native plant sales in King County Spring and fall plant and seed sales For questions about Native Plant Resources for the Pacific Northwest, please contact , Water and Land Resources Division.

Nelson River

Associated with long life and abundance, maple syrup is considered a liver tonic and kidney cleanser; it also is used as a base for medicinal herb syrups.

Native plant resources for the Pacific Northwest

Large losses of the low boiling components may ensue if the foliage is transported in an unsealed container.

Why Native Plants Matter

Click on my little kachina friends below to show you what's recently been added. Maple sugar contains no fat and one-quarter cup provides 25 percent of the recommended daily intake of riboflavin, 15 percent of manganese, 5 percent of potassium and 4 percent of zinc, calcium and magnesium.
