Sharh Aqidatul

You may witness such occurrences about which the superficial person gets the illusion of deviation, but which are actually not deviant. Two opposed verdicts are reported from Shaykh 'Izz al-Din ibn 'Abd al-Salam, one attacking him, and one describing him as the Spiritual Pole al-qutb. These children are just leaving fourth school and join the fifth.

AT TUHFAH AL 'IRAQIYAH FIL 'AMALI AL QALBIYAH Archives

Then He brought the universe into existence without reflection tafakkur nor deliberation tadabbur such as accompany ignorance or unawareness and would then presumably provide Him the knowledge of what He knew not - greatly exalted and elevated is He above that! Also, in al-Usul: No preference is given in the face of abundant evidence to the contrary. He goes on to cite another sound report narrated by Ibn 'Asakir from Abu Zur'a al-Razi whereby the latter met al-Khidr twice, once in his young age, the other in his old age, but al-Khidr himself had not changed.

Surah Al

In al-Suyuti, Tanbih al-Ghabi p. Their way cannot be denied without knowing the meaning of their statements and the expressions they use, and then turning to apply the expression to the meaning and see if they match or not. The latter is a sound chain but there are several unnamed links between Nu'aym and al-Zuhri.

Shaykh Muhyi al

If an infant in a cradle can be a prophet Issa AS , then why an eight-year-old child can not be the Imam? I am in no need of any of you.

Fatwa of Al

Multazam is in you - he who clings to love for it, will be saved on the Day of Mutual Cries. Rules and understanding knowledge of certainty is needed in this age of Fatwa land on this ephemeral world. Rather, every existing thing other than Him, depends on Him and needs Him to exist.
