## Architecture apprenticeships

This will involve an investigation of the challenges associated with planning permissions, and listed building consent. Students also have opportunities to engage with faculty and peers live during review sessions, but most work is done asynchronously. Our qualified careers practitioners provide support to all business postgraduate students for up to three years after graduation.

Successful applicants demonstrate this through sketchbook pages, worksheets, drawing, photography, textural or 3D work etc. Firstly, by the effect of the recent global pandemic on the way we experience the matter, objects, materials and ecologies that frame and formulate our daily experiences. Within this wider context, our main strategic aim has been geared towards establishing ourselves as a leading institution for research in sustainable innovation.

## Architectural Conservation

The Foundation Diploma in Art and Design course at Central Saint Martins offers both specialist and diagnostic modes of study. Successful

applicants can demonstrate this through their personal statement, in sketchbook pages and notebooks and there is no prescribed way to submit the evidence.
