Ships coming from Zanzibar made stops on or at before heading to the or to India. In addition, the contributors point to the future by suggesting different trajectories that historical archaeology and its practitioners may take in the Caribbean arena.

Archaeologies of the Recent and Contemporary Past in Africa

That is, archaeology is what archaeologists do. New scholarship provides insights into the archaeology and cultural history of African American life from a collection of sites in the Mid-Atlantic. This book offers additional object lessons to shatter the silence that once surrounded the practice of human bondage in the American North.
