Autocracies often have a that governs the country, and some consider competition between two or more parties to be an essential part of democracy. In the 1960s Maurice Duverger observed that single-member district single-vote plurality-rule elections tend to produce two-party systems, : 217 a phenomenon that became known as. In the United States, where both major parties were cadre parties, the introduction of

primaries and other reforms has transformed them so that power is held by activists who compete over influence and nomination of candidates.

### **Athenian Democracy**

In contrast to cadre parties, mass parties are funded by their members, and rely on and maintain a large membership base.
