The Family Relationships that Couldn't Stop World War I

Sequential cultures plan their time very strictly, one activity or appointment following the other one. Moreover, as early as the mid-1920s and early 1930s, some management pioneers Thomas Watson, Sr. We point to continuities in German institutional methods of developing new initiatives, and the emerging role of British NGOs in helping firms and the state develop new options.

Global Change Management Approaches in MNCs and Distinct National Trajectories: Britain and Germany Compared

British managers were inclined to be seen by their German counterparts as more easy-going, laid back, open, less structured, humorous, risk-taking, informal, less critical, and more accepting, coupled with high patriotic feelings.

How Germany contained the coronavirus

So we must think through what management should be accountable for; and how and through whom its accountability can be discharged. The funds of large institutions businesses, states, cities, public service and nonprofit institutions like universities, school districts, and hospitals accounted for three-quarters of these holdings.

UK and Germany have very different attitudes towards immigration

Based on a two year comparative study by British and German research teams, the book challenges the universal view of management presented in so many management books, by showing how differently German middle managers think and act. Nor is Britain quite the industrial wasteland of popular myth. Every country has wonderful differences between them as a result of their unique histories, politics and culture.

The Family Relationships that Couldn't Stop World War I

During the 1920s and 1930s, management was applied to many more areas and aspects of manufacturing business.

Global Change Management Approaches in MNCs and Distinct National Trajectories: Britain and Germany Compared

An individual may work six hours per day but be more effective than one who works eight or nine hours, so time invested on the job is not generally a good indicator of hard work. There was talk of war until Germany backed down, and relations remained sour.
