## Number theory in function fields

One day, she unexpectedly comes into the possession of what she thinks are dolls, but are in fact the magical dinosaurs Pigu and Mogu, who grant her the power to create the clothes she draws upon a special drawing pad, as well as the power to become a teenage version of herself. Edited by Found a from. The effect of life in Saint Petersburg on the plight of the poor clerk in a society obsessed with hierarchy and status also became an important theme for authors such as Pushkin, Gogol and Dostoyevsky.

## Kidokkyo wa Han'guk hyōndaesi (1988 edition)

Another important feature of early Saint Petersburg literature is its mythical element, which incorporates urban legends and popular ghost stories, as the stories of Pushkin and Gogol included ghosts returning to Saint Nummer to haunt other characters as well as other fantastical elements, creating a surreal kn abstract image of Saint Petersburg.
