On the Origin of Species

One problem with this story is that it is implausible.

History of Vegetarianism

In that sense this essay will be right up-to-date as we stand in 2006. The belief in God has often been advanced as not only the greatest but the most complete of all the distinctions between man and the lower animals.

Charles Darwin

In this online essay I want to say a little about this amazing man.

Charles Darwin Was a Massive Satanic Fraud

Squeamish about surgery and uninspired by lectures, Charles was far from the model medical student. Growing up he was an avid reader of nature books and devoted his spare time to exploring the fields and woodlands around his home, collecting plants and insects.
