Tenri

Tenri has an estimated population of about 69,149 people October 2010 and is sister city to La Serena in Chile, since 1966, Seosan in South Korea and Bauru in Brazil.

Tenrikyō

However, given the spread of the novel coronavirus COVID-19 , we have made an agonizing decision to cancel the ceremony in consideration of the health and safety of those who would have attended. In April, 2010, Tenri University reorganized its academic programs.

Tenketsu

Tenri university is also noted for its practice of judo. In the of its teaching, the sect has founded a radio station, a university, and an outstanding library.

Tenketsu

In addition, faculty advisors work closely with their students on a person-to-person basis. My usual routine was to go in a straight line between home and work, and a beer on the way home. Further, all faculty members of every department or course of study strive to build strong ties with students from their freshman through their senior years.
