Five top challenges affecting healthcare leaders in the future

While effective clinical leadership has been offered up as a way of ensuring optimal care and overcoming the problems of the clinical workplace, a standard definition of what defines effective clinical leadership remains elusive. What Does a Nurse Leader Do? While transformational leadership positions the leader as a charismatic shaper of followers, clinical leadership is more patient centered and emphasizes collective and collaborative behaviors. Nurse leaders need to embrace change, adapt to it and in doing so re-energize and empower the workforce 7.

Leadership Skills For The Nurse Manager Restructuring The Role Of Management In Today's PDF Book
