This was a barefaced lie, but it was the official line propagandised Head of Government 109 by senior Soviet politicians.

## Sverdlovsk 1979

The Bolsheviks were weakened by repression, and many informers existed in the ranks of the revolutionary parties.

He was prominent in his support for Stalin in the conflicts with Trotsky, Zinoviev and Kamenev, and in the development of agricultural policy. Molotov arrived shortly afterwards and no one dared to wake Stalin. The speech reflected the ultra-ambitious rates of growth aimed at in early 1931: he spoke of completion of the pyatiletka in four years.

### Molotov: A Biography (Centre for Russian and East European Studies)

On 31 July, he once more asserted that after the critical July days it was no longer possible to transfer power peacefully into the hands of the Soviets. It is the same in the countryside. The formula had a clear class character: the worker, relied on by the poor peasant, must implement it in alliance with the middle peasant mass against the kulak.

## Sverdlovsk oblast

In November 1912, when the St. Molotov had opposed the development of the glavki the previous October. They had conducted agitation in place of election ... published a list of all their personal supporters and mistakenly hurled at responsible ... workers a number of vague charges ... abused ten district workers and provincial workers in a most offensive manner ... attempted to discredit all the workers who composed the majority of the former provincial committee in order to clear the way for a new grouping.
