We want to know where we have come from, where we are going to, and of what narrative we are a part.

## Я CONSUMER EDUCATION AND THE CULTURAL POLITICS OF DIVERSITY on JSTOR

At the bottom of a lot of these issues, I feel, is normally privilege or prejudice, which is to be expected, really.

## Margaret Thatcher was no feminist

And it's salutary for those of us on the left to be reminded that positive social change does sometime come from the right. .

## Я CONSUMER EDUCATION AND THE CULTURAL POLITICS OF DIVERSITY on JSTOR

Social unrest--most notably urban riots, violent crime, and student protests--also pushed many Americans toward conservative candidates who promised to restore law and order. She showed that although female power and masculine power may have different languages, different metaphors, different gestures, different traditions, different ways of being glamorous or nasty, they are equally strong, equally valid ... No one can ever question whether women are capable of single-minded vigour, of efficient leadership, after Margeret Thatcher. Decades ago, I visited Louis Jacobs in his London home in order to meet him and to ask him if he had any understandings of Rabbi Zadok Hakohen of Lublin to share.

## a crise do cosmopolitismo

For Louis and Shula Jacobs it felt like social advancement and they enjoyed it. Whereas most discussion of the Jacobs controversy globalized the issue into big ideological questions of the entire trajectories of the Orthodox and Conservative movements or big questions about Biblical criticism, this book returns the discussion to a specific man, his teachings, and his relationship to a specific number of colleagues and superiors. This can be uncomfortable, but thus we enter the quiet liminal zone of interpretation together, stepping into the echo chamber that surrounds its words as white spaces upon the page.
