Elizabeth I feared the consequences of creative disruption on her constituents, and the knock on effect that might have had to her tenuous grip on power.

Full text of Resume Guidebook

Shit jobs tend to be blue collar and pay by the hour, whereas bullshit jobs tend to be white collar and salaried.

QuickReg:

Our goal was simple with the development of Contemporary Management: to be the most customer-driven principles of management text and supplement package ever published! Generational Differences Along with factors like ethnicity and regional differences, the era in which people have been raised can shape the way they communicate.
