Woman of the Apocalypse

I curse those who say Christ is the sun, and who make prayers to the sun, and to the

moon, and to the stars, and pay attention to them as if they were really Gods, and who give them titles of most lucid Gods, and who do not pray to the true God, only towards the East, but who turn themselves round, following the motions of the sun with their innumerable supplications. It's best to use red mail on Crono and attack with Cyclone but this strategy will take a while.
