**Hardcover (1873) 1st Edition.**

Minor worming to several leaves. Rash Mi-Shantz proposes that Rabbi Meir must have reached this conclusion based on his understanding of the text, and he proceeds to explain how Rabbi Meir might have read the relevant verses to reach this surprising conclusion. From the ruins, he rose and rebuilt.

**S.A.L.T.**

Eliezer HaLevi Horowitz Rabbi of Tarnogród d.

**When to end the saying Kaddish for a parent**

Yefas Toar adds that all communal sacrifices will be brought as well.

**S.A.L.T.**

The tragic irony is that he fails to realize what Chazal teach us: that one machlokes can drive away a hundred livelihoods. Let's take the lesson of Noach and the survivors and make sure that all we do is for Hashem, then we too will see the good in everything and live happier more fulfilled lives! Dark marginal stain and damage to one leaf, not affecting text.

**Hallel on Chanukah**

We silence our own conscience by focusing our attention on the flaws and shortcomings of other people, and this is why such talk brings us enjoyment. Elchanan Wasserman explains that the Torah transmitted by Moshe will indeed never change, but this Torah includes the eventual elimination of the mitzvos. Perhaps this is why some say that, when Rashi says that others interpret it negatively, it's referring to Noach himself for he felt that he could have still been better.

## **Hallel on Chanukah**

The Rebbe was not a son or daughter!! However, the two primary shades indeed combine with one another to meet the minimum size requirement.

## **For Zev**

This means he understood that no matter what, even though the entire world was being destroyed around him for acting immorally and he was the lone one to be saved, he still felt like he was lacking in what he should be. May the Avel recite Kaddish Derabanan in the 12 th month? Meaning they stop saying Kaddish on the last week of the 12 th month. Rabbi Yochanan is then cited as explaining along similar lines the juxtaposition in Sefer Bamidbar 5 between the command of the priestly gifts and the laws regarding the suspected adulteress.
