Intermediate Japanese

It takes a long time depending on the person, it might take longer than others to be at a high-intermediate or advanced level.

Japanese Lessons in Cambridge

With Speaking there are several options. This book teaches you Japanese by first introducing a dialogue. Your OWN study method is the best one! You should just have enough text to remind you of your main speaking points and to help the audience follow along.

University of Cambridge Language Centre

It publishes Japanese Language and Literature twice each year and the AATJ Newsletter four times annually.

School Support Hub We provide a wide range of support so that teachers can give their learners the best possible preparation for Cambridge programmes and qualifications. Speak Smooth Japanese: This book does a great job at teaching you how words, clauses, and sentences come together.

9 Best Low Intermediate Japanese Books

Using this dictionary together with another textbook will bring your Japanese to another level. The study method that I showed in my previous article, , consisted on focusing each language skill listening, speaking, reading, writing in blocks. Here is a video by Luca Lampariello, a famous polyglot, where he explains how to learn any language with YouTube.

6 Bilingual Starter Books for Intermediate Japanese Learners

This book is excellent, and can be used to remember all of the kanji without the use of the Remembering the Kanji book if you choose. So do allow yourself a break from time to time.
