I am not sure if I understand this.

Mayan Birth Chart

Gallery 8: Dead Tell Tales We will know you by your bling. She holds a master's in art history from the University of Florida, with an emphasis on political textiles.

Maya Mystery

Fine Arts Museum of San Francisco. Though contemporary art is very important to me, it seems we've never improved upon Lascaux and Altamira. Art from the ancient Americas continues to be a touchstone for 20th and 21st century artists.

Past Exhibitions (1981)

By its linear nature, the Long Count was capable of being extended to refer to any date far into the past or future. Gallery 1: Intro Theater Video, animation, and photography set the tone for exploring a civilization steeped in spirituality. The cyclical Short Count is a count of 13 k'atuns or 260 tuns, in which each k'atun was named after its concluding day, Ahau 'Lord'.

Maya calendar

Yucatec vault capstones often show a depiction of the enthroned e.
