The Impact of Preschool Social

An estimated 70-80% of emotionally disturbed children get inappropriate mental health services or no services at all Office of Technology Assessment, 1986. Journal of Experimental Child Psychology, 21, 425-445. Data which are available are estimates collected on a voluntary basis from States and not all States participate.

A Partial Listing of Problems Facing American Children, Youth, and Families

Information processing habituation in infancy and stability in cognitive development. Similarly, the number of women lacking any or adequate prenatal care is not extremely high, but the seriousness of infant mortality is obvious.

Journal of Child and Family Studies

In addition to full length scholarly papers, the journal publishes systematic or scoping reviews, brief reports of empirical research, and commentaries. A second focus has been on preventing these pregnancies in the first place.

Autism (Autism Spectrum Disorder)

Infant cries rattle adult cognition.

Journal of Child and Family Studies

Hue is an absolute code for young children.
