Pharmacopoeia and National Formulary as official standards for the strength, quality, and purity of drugs and for the tests to make such determinations. However, although political support is clearly important, it is not automatic and easy to achieve.

Advantages and Disadvantages of Self

Often frustrating and confusing for consumers is determining the appropriate regulatory agency to contact. It is important to note that this delay also delayed the harmonization of the requirements on a global basis as the lack of US framework prevented any global discussion on this subject. He also was, from 1994 to 1998, CEO of FDANews.
