## Semantic Mapping of An Ottoman Fetva Compilation: EBUSSUUD Efendi's Jurisprudence through a Computational Lens

A policy-oriented interpretation within the confines of the rules of jurisprudence is permissible and even recommended, as is the case with the doctrine of *ijtihad* progressive reasoning by analogy. The Sharia contains the rules by which a Muslim society is organized and governed, and it provides the means to resolve conflicts among individuals and between the individual and the state. Others believe that wife-beating is not consistent with a more modernist perspective of the Quran.

### Jurists: Profiles in Legal Theory Ser.: Ebu's

Yet based on the existing literature, one would be hard-pressed to quantify how much individual jurists contributed to various areas of jurisprudence, or to assess how the volume of their interpretations related to certain issues might compare to those on others. In view of the conditions inside the Islamic Republic of Iran, Egypt, Pakistan, Saudi Arabia, the Sudan, Syria, Bangladesh, Iraq, and Afghanistan, we should expect that at the top of their human rights agenda would be to rectify the legal inequality of women, the suppression of political dissent, the curtailment of free expression, the persecution of ethnic minorities and religious dissenters — in short, protecting their citizens from egregious human rights violations.
