A very sweet, romantic touch. Michelin-starred Ristorante Don Alfonso of Southern Italy operates in Helena Bay. They differ in having a white neck ring, chestnut or buff breast, and black undertail.

### **New Zealand: Not the Paradise Americans Think It Is**

This cottage was more than comparable to other cottages we have rented previously, and we were delighted with the experience and would be happy to stay there again. The staff and overall experience our group found at Helena Bay was second to none.

### **Paradise shelduck**

We manage over a million hectares of land in the South Island high country, leasing much of it for pastoral farming. Its numbers are still increasing despite being a gamebird and at least 200,000 being shot annually 2011 figures.
