## Floating Opera New York

The reader of *The Floating Opera* discovers early on whether he will or won't do it, but, as in most cases, the journey is more important than the destination. Despite all manner of digressions and inward pondering, the writing has a warm intimate style and I was rarely bored or frustrated by this odd tale. Everything is black and white still.

### Dawlat al

No problem; it wasn't a difficult read. By all means this is a worthwhile book, despite the fact that it too is intrinsically valueless. John Barth's first novel is an exploration of nihilism.

### Dawlat al

If that sounds like a bummer, be aware this novel is a comedy.

## Floating Opera New York

If it had been some sort of confession, my reaction had driven him behind his masks.

## The Floating Opera

Anyway, years later, I have finally met Mr. That said, this is not a country that generally revels in its history. Lots of philosophy, odd-to-bizarre human sexual relationships, and many very very funny bits.

## The Floating Opera by John Barth

The reader of *The Floating Opera* discovers early on whether he will or won't do it, but, as in most cases, the journey is more important than the destination. I'm pretty amazed, given its sophistication and cleverness, that it was written by a young man and not at all about his own, but rather his father's generation and that it was his first novel. The narrator, Todd Andrews, is a lawyer with mostly antisocial behaviors.

## **The Floating Opera by John Barth**

But it was not a problem to the couple.
