### Danso

He gives the ancient scripture after his defeat and reveals that he became a Geirin Kuzunoha in order to achieve an act as great as Geirin Kuzunoha the First's when he closed the Gate to the Abysmal Realm in the feudal states period. The Korean name is the transliteration of the Chinese one, a short variant of the.

### Geirin Kuzunoha the XVII

When Raidou attempts to investigate into the children's song he attempts to keep all facts about it secret, only for Nagi to reveal the ancient scripture he has kept hidden near the Three Cedars. After the battle, Geirin passes away. Near the end of the fight, he carves a sigil that stops the Predecessor Geirin from moving so Raidou can finish him.

### Geirin Kuzunoha the XVII

He asks that Raidou finish the secret art should he fail to do so. .

### Danso

It is traditionally made of , but since the 20th century it has also been made of plastic. When the Apollyons first appeared in the sky he tells the villagers to go to the Fukuroku Inn and faces off and defeats any Apollyons he comes across. He takes the scripture from Raidou and tells him to head to the chamber.

### Danso

For this reason he does not take 's interference into the village fairly well.

### Danso

As Raidou battles the 16th Geirin will use a soma that restores Raidou and his demons to their full strength, stating it would be useless on him since

he was already dying. During the fight against him he summons , , , , , and.
