Although many of Mazu's temples honor her titles Tianhou and Tianfei, it became customary to never pray to her under those names during an emergency since it was believed that, hearing one of her formal titles, Mazu might feel obligated to groom and dress herself as properly befitting her station before receiving the petition. In one version, her mother dreamt of Guanyin giving her a magical pill to induce pregnancy and woke to find the pill still in her hand; rather than being born in the conventional way, Mazu shot from her mother at birth in the form of a fragrant flash of red light. Of these temples, almost 1000 are on , representing a doubling of the 509 temples recorded in 1980 and more than a dozen times the number recorded before 1911.
