**Imru' al**

Aristotle had believed that in order for the eye to perceive an object, both the eye and the object must be in contact with a transparent medium such as air that is filled with light.

**Imru' al**

About this, Mu'awiya said, 'I am afraid you do to my son what you did in poisoning the son of.

**Imru al Qays Ibn Hujr : Read Poems by Poet Imru al Qays Ibn Hujr**

It has been reported that Al-Hasan died of poisoning. Seine wurde ab dem 8.

**Kindī,**

As well as translating many important texts, much of what was to become standard Arabic philosophical vocabulary originated with al-Kindī; indeed, if it had not been for him, the work of philosophers like , , and might not have been possible. Therefore, he says that the First Intellect must always be thinking about everything.

**15146522404232391917**

He is known to have written fifteen treatises on , but only five have survived.

**Muhammad ibn al**

It may also be argued that she poisoned him for any other reason for which a woman may poison her husband; it has been reported that Al-Hasan divorced many of his wives and did not remain with a wife for a long period of time. Al-Kindī was also an important figure in. Seit frühester Jugend schrieb Imru' al-Qais Gedichte mit Schilderungen von Naturszenen, Trinkgelagen und Liebesschmerz.
