**Elements of art criticism: comprising a treatise on the principles of man's nature as addressed by art, together with a historic survey of the methods of art execution in the departments of drawing, sculpture, architecture, painting, landscape gardening, and the decorative arts. Designed as a text book for school and colleges, and as a hand**

It was no inconsiderable influence which could draw together such a company and hold it together for many years.

**The book of the Boston architectural club; photographs, water color drawings, pencil sketches, measured drawings and details of Spanish architecture, sacred and domestic. (Book, 1925) [vip.stumagz.com]**

Besides this first variation yet a third, a fifth below the ordinary male voice, is heard from men of deeper-toned voices; a fact noticed among the native tribes of Africa, and also among the negroes of the American continent. She looked at it, hoping, fearing—she beamed blissful interrogation on her father while his sallow smile continued to tantalize her.
