UN Convention On The Rights Of The Child

Children who are adopted When children are adopted, the most important thing is to do what is best for them. Help us to continue our work and ensure equal protection for all children by donating today. Freedom of thought and religion Children can choose their own thoughts, opinions and religion, but this should not stop other people from enjoying their rights.

How Do Human Rights Protect Children?

The second calls on states to prohibit child prostitution, child pornography and the sale of children into slavery. Rest, play, culture, arts Every child has the right to rest, relax, play and to take part in cultural and creative activities.

Corporal punishment of children and the Convention on the Rights of the Child

Children are neither the property of their parents nor are they helpless objects of charity.

UN Convention on the Rights of the Child (UNCRC)

The Committee on the Rights of the Child — the body that monitors the implementation of the Convention — has played a large part in this progress and is still now a force for change.

Corporal punishment of children and the Convention on the Rights of the Child

Who has signed up to the UNCRC? Governments should remove all obstacles for children with disabilities to become independent and to participate actively in the community. Children with disabilities Every child with a disability should enjoy the best possible life in society.
