Econ 101: Is this the Best Way to Teach Economics?

Second, how should the institutions of government be designed to encourage or control this influence? Just to appreciate the grandeur of this simple idea, just imagine your standard of living in a world where you have to produce everything for yourself. We expect that you will understand our compulsion in these books. Throughout Money Wise, Chad Hovind explores God's principles, His teachings, and His directions for living a life of liberty, prosperity, and generosity.
