## Hana Isuzu

In the end, their tank was the only one left standing because of Miho's leadership. She is also one of the main protagonists of Yumeutsushi-hen, alongside a younger version of Rika.

## Hanyu Yuzuru

She is voiced by Yui Horie, who also voiced from Fruits Basket, and from Vampire Knight. Also, because of the prongs and the lack of a handle, the blade is supposed to be very sturdy and extremely heavy, too heavy to effectively use with one hand. Hanyuu gave Rika a magical staff to prevent the magic-users of Tokyo Magika from stealing every last bit of magic from the Furude Shrine.

## Hani Farsi

She travelled with her clan to the Onigafuchi Swamp and tried to coexist with the human villagers there, but the Furude priest refused to cooperate.

## Utsukushii Hana No You Ni

After a little time, Hanyuu and Rika will enter the new world and a new story, with a new chance to prevent Rika from dying. Pernah melalui kehidupan yang susah sehingga satu ketika menjadi gelandangan, Haneesya bersyukur dapat tinggal di Program Perumahan Rakyat PPR dimana ia satu anugerah besar buatnya dan keluarga. While this is not addressed so explicitly in the anime as in the manga, careful observation shows that the character detail is faithfully represented and her meal portions are always significantly larger than her teammates'.

## Hana Isuzu

However, the characters who use it can wield it easily with only one hand.

## Hanyuu Furude

Miyo Takano, however, upon seeing them refers to Hanyū as a monster, which only further ignited Hanyuu's hatred for Takano. The second form

that Hanyuu takes is her visible form, which is physically identical to her ethereal form except that she can no longer float and she is solid rather than transparent. Get a Britannica Premium subscription and gain access to exclusive content.

### **Hani Farsi**

She has a remarkable hatred of spicy foods and alcohol. Inspired by the Teru thirsting rambles and drawings of ' Yurricanes' :P and beta read by the lovely, Karin simping ' egnarregnar' :3.
